DR. JOHN BULL SOMETHING

NEW AND VALUABLE. The most powerful King on the face of the globe now reigns supreme in the American Republic. The power of the crowned heads of Europe sink into Insignificance when compared to our American King.

Enropean kings employ the power vested in them to increase the riches of the rich and lordly, and to reduce to greater unisary and degradation, the poor and dependent. Our American King goes forth with equal willingness to the lordly mansion and the humble cabin, ready alike to administer relief, and to offer health and happiness to the lordly and lowly, the rich and the poor.

DR. JOHN BULL'S GREAT AMERICAN KING Is the TENTH WOMER OF THE WORD, and the greatest blessing ever offered to afflicted humanity; to the suffering millions, the Doctor can say, rellef is at your command. You have only to use this magical remedy. All those who still suffer, and will not accept the proferred Islim, deserve not the pity of their families.

This wonderful modeline, during the brief pool since the introduction, has carried happiness to the hearts of the sands, and made life a charm to many who hereto the regarded it only as a painful and miserable evisture regarded it only as a painful and miserable evisture regarded it. fore regarded it only as a painful and miserable exist-

oure. To the winds with all Linimen's, Embrocations, Palm Killers, and Pain Extractors, and let millions of glad tongues proclaim the inergis of the great "American King of Faiu." a preparation composed solely of vegetables and roots, produced by America's own rich and burntlenus foll.

King of Paiu." a preparation composed solely of vegetables and roots, produced by America's own rich and bounteous soil.

We would ask the Lanes, who are always competent judges if what is and what is not a valuable family medicine, to do us a special favor by giving the King of Pain a single trial, and if satisfactory, exert their fuduence in its behalf, recommend it, speak well and often of it, and see that it is used by their afflicted neighbors. The Ladles are always obaritable, and when they induce their suffering friends to use this really valuable medicine, they will be doing an act of benevolence that they can well be proud of. This is a powerful and truly-magical remedy for all external diseases. Sores, awellings, burna, &c., and for many internal afflictions, it is a certain cure, yet it is perfectly harmless, and incapable of producing the least injurious effects in the most delicate cases or the weakest constitution.

It is entirely useless to follow the old and worn-out system of publishing to the public thousands of certificates of wonders performed by this medicine. It costs but twenty-five cents to try it, and br. Buil stakes his well-carned reputation on the King of Pain doing all and more than he claims for it.

We would ask have you the Rheumatism or Gout; these are not pleasant companions, and we know that you would like to drive them away as soon as possible, then use

"BULL'S KING OF PAIN."

Woull you be cured almost immediately of Bowel.

Would you be cured almost immediately of Bowel Complaint, Dysentery, Summer Complaint, Cholera Morbus, Cranp Cholic, Head Ache, Tooth or any other ache or pain, the remedy is simple and the cure certain, USE THE GREAT KING OF PAIN.

Would you have your Sorea, Swellings, Cuts, Burns, Scalds, Bruises, or any other wounds healed, we repeat it, use the MAGICAL KING OF PAIN.

Would you be cured of Scald Head, Stiff Joints, Sore Throat, Neuralgia, Sore Breast, Lumbsgo, Tetter or Ring Worm, Salt isheum, Bites of Pulsoneus Insects, Chapped Hands, and all other Sores, ether by or Running, we say again and again, YUR REMEDY is Dr. John Bull's STANGER DAIN'S "KING OF PAIN."

Would you be cured of King's Eril, Cancer, Tumors, Fraptions, or any disease of the Skin caused by impure blood, then use Dr. John Bull's Sarsaparilla internally, and the king of kaie externally, nothing can be more certain than a speedy and effectual cure. DR. JOHN BULL'S
